

Claims 60-95, all the claims present in this application, were rejected on the ground of double patenting in view of claims 1-6 and 19 of parent U.S. Patent 5,917,910. This is the only rejection in the instant application.

To overcome this double patenting rejection, Applicants submit herewith a Terminal Disclaimer together with the disclaimer fee and the usual Statement Under 37 CFR 3.73 (b). Accordingly, it is submitted that this application now is in condition for allowance. The issuance of the Notice of Allowance is respectfully solicited.

Please charge any additional fees that may be needed, and credit any overpayment, to our Deposit Account No. 50-0320.

Respectfully submitted,  
FROMMER LAWRENCE & HAUG LLP
